

# BluePortfolio PPO Plan Benefit Summary

## Grandfathered Plan

An Independent Licensee of the Blue Cross and Blue Shield Association

BluePortfolio is a qualified high-deductible plan for use with a health savings account (HSA). All services are subject to your deductible, except preventive services. You must satisfy certain criteria to be eligible to open and contribute to an HSA. Check with your tax or legal advisor regarding whether you satisfy these criteria.

### Provider Information – Out-of-pocket costs will differ depending on which type of provider is selected.

#### In-Network Providers (Contracted)

In-network providers are eligible providers who meet one of the following criteria: (1) are contracted with Blue Cross Blue Shield of Arizona; or (2) are located out-of-state and licensed in the United States, and contracted with an out-of-state Blue Cross and/or Blue Shield Plan ("Host Blue") as PPO providers. In-network providers will file members' claims with Blue Cross Blue Shield of Arizona or the Host Blue plan. In-network providers cannot charge more than the allowed amount for covered services.\* Members have lower out-of-pocket costs for covered services when they use in-network providers.

#### Out-of-Network Providers (Contracted and Noncontracted)

Out-of-network providers are eligible providers who meet any of the following criteria: (1) are not contracted with Blue Cross Blue Shield of Arizona (BCBSAZ); (2) are contracted with a Host Blue as "Participating-only" Providers; or (3) are contracted with the BlueCard Worldwide program. Noncontracted providers are not obligated to file members' claims. Members have higher out-of-pocket costs for covered services when they use out-of-network providers.

#### Allowed Amount

All claims are processed using the BCBSAZ "Allowed Amount." BCBSAZ reimbursement, member cost share payments, and accumulations toward deductibles and out-of-pocket limits are calculated on the BCBSAZ Allowed Amount. The allowed amount is the total amount of reimbursement allocated to a covered service and includes both the BCBSAZ payment and the member cost share payment. It does not include any balance bill. The allowed amount is based on BCBSAZ or other fee schedules. It is not tied to and does not necessarily reflect a provider's regular billed charges.

#### Payment of Reimbursement

BCBSAZ or the Host Blue reimburses **contracted providers** the allowed amount, minus any portion allocated to member cost-share. When a member sees a **noncontracted provider**, BCBSAZ reimburses the **member** the allowed amount, minus any portion allocated to member cost-share.

#### Balance Bills

The balance bill is the difference between the BCBSAZ allowed amount and a noncontracted provider's billed charge. Any time you see a noncontracted provider, you are responsible for the balance bill.

FOR EMERGENCY SERVICES, YOU WILL PAY YOUR IN-NETWORK COST SHARE, EVEN IF SERVICES RECEIVED ARE FROM OUT-OF-NETWORK PROVIDERS. IF YOU RECEIVE EMERGENCY SERVICES FROM A NONCONTRACTED PROVIDER, YOU WILL ALSO BE RESPONSIBLE FOR THE BALANCE BILL, WHICH MAY BE SUBSTANTIAL.

<b>Coinsurance calculation and accumulation towards out-of-pocket maximum</b>	BCBSAZ calculates member coinsurance payments and accruals toward deductibles and out-of-pocket coinsurance maximums based on the BCBSAZ allowed amount and based on a calendar year. We do not use a provider's billed charges. Only the member's coinsurance payment counts toward the out-of-pocket coinsurance maximums. Many cost share payments do not count toward these maximums, including: precertification charges, amounts paid for noncovered services, and noncontracted providers' balance bills. A member must continue to pay all of these cost share amounts even after meeting the maximums.			
<b>Out-of-Pocket Maximum (Calendar-year)</b> The in-network out-of-pocket maximum is accumulated separately from the out-of-network out-of-pocket maximum.	<u>Per member</u> <b>\$5,500</b>	<u>Family</u> <b>\$11,000</b>	<u>Per member</u> <b>\$11,000</b>	<u>Family</u> <b>\$22,000</b>

	Preventive services are those services performed for screening purposes when the member does not have active signs or symptoms of a condition. Preventive services do not include diagnostic tests performed because the member has a condition or an active symptom of a condition. The combination of the diagnosis and procedure codes submitted by the provider determines whether a service is preventive.

#### Explanatory Notes:

- **This is only a brief summary of benefits and exclusions. Please refer to the specific provisions found within the benefit plan booklet for detailed information about benefits, limitations and exclusions. If the benefits listed in this summary differ from those stated in the benefit plan booklet, the terms of the benefit plan booklet apply. There is no guarantee of continued benefits outlined in this summary or the benefit plan booklet. The benefit plan may be amended, and benefits may be added, deleted or changed by BCBSAZ upon 31 days' notice to the policy holder.**
  - BCBSAZ believes this plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (PPACA). As permitted by PPACA, a grandfathered health plan can preserve coverage that was already in effect when that law was enacted. Since this plan is a grandfathered plan, it will not be subject to certain mandatory benefit changes required by PPACA for non-grandfathered plans. However, PPACA does require grandfathered health plans to make certain benefit revisions. You may contact BCBSAZ with questions regarding which changes apply and which changes do not apply to a grandfathered health plan by calling the number located on the back of your BCBSAZ ID card. You may also contact the U.S. Department of Health and Human Services at [www.healthreform.gov](http://www.healthreform.gov).
  - BCBSAZ Medical Coverage Guidelines are BCBSAZ medical, dental and administrative criteria that are developed from review of published, peer-reviewed medical and dental literature and other relevant information and used to help BCBSAZ determine whether a service, procedure, medical device or medication is eligible for benefits under a member's benefit plan. For services to be eligible for coverage under this benefit plan, the services must, in addition to other specified requirements, be considered medically necessary by BCBSAZ based on the BCBSAZ Medical Coverage Guidelines that are available upon request. Where benefits are provided by a third-party administrator, the third-party administrator may determine medical necessity based on its own criteria, which is also available upon request.
  - Precertification is the process BCBSAZ uses to determine eligibility for certain benefits. The member is responsible for making sure his or her physician obtains precertification approval. If precertification is not obtained, the member's benefits may be denied, or the member may be subject to a precertification charge. The member's provider must call for precertification at (602) 864-4320 or (800) 232-2345, ext. 4320. Please refer to the precertification requirements in the benefit plan booklet, which will be sent to the member upon enrollment or upon request prior to enrollment.
  - In-network providers are independent contractors exercising independent medical judgment and are not employees, agents or representatives of BCBSAZ. BCBSAZ has no control over any diagnosis, treatment or service rendered by any provider.
