

ALLIANCE NETWORK

The Alliance network from Blue Cross® Blue Shield® of Arizona delivers on our commitment to improve care quality and create a better healthcare experience—while lowering costs.

A network of doctors and hospitals that are close and convenient

- The Alliance network is for residents of Maricopa County.
- The network features doctors and hospitals from Banner Health and HonorHealth.
- To keep your healthcare costs lower, it is important to use a participating lab or imaging service such as Sonora Quest Laboratories, Banner Imaging, Southwest Diagnostic Imaging, and Sun Radiology.
- Only providers contracted with the Alliance network are considered “in-network.” Please check with your doctors, facilities, and other health professionals to make sure they are in the Alliance network before receiving care.
- Finding in-network care is easy with the Find a Doctor tool, available at azblue.com/findadoctor or on the **MyBlue AZ**™ app. Be sure to search for providers in the Alliance network, indicated at the top-right of the search page.

Urgent-Care/Retail Health Clinics

Did you know that urgent-care centers and retail health clinics can treat many injuries and illnesses, and often cost less than an emergency room? However, visits to retail health clinics, urgent-care centers, and emergency rooms are not a substitute for an ongoing relationship with a primary care physician.

In a true emergency, always dial 911 first.
