Blue Cross Blue Shield of Arizona's Alliance Network is a great option for employers looking for less expensive coverage, with convenience and quality on a local level.

A network of doctors and hospitals that's close and convenient

- The BCBSAZ Alliance Network is for residents of Maricopa County.
- This network features doctors and hospitals from Banner Health and HonorHealth.
- Only providers contracted with the Alliance Network are considered "in-network." Employees should check with their doctors, facilities, and other health professionals to make sure they are in the Alliance Network before receiving care.

Urgent Care/Retail Health Clinics

Did you know that urgent care centers and retail health clinics can treat many injuries and illnesses, and often at a much lower cost than hospital emergency rooms? Employees can find an in-network urgent care/retail health clinic in their area by using the Find a Doctor tool at azblue.com/findadoctor or downloading the MyBlue AZ app on their smart device and using the search tool there.

Be sure to remind employees that visits to retail health clinics, urgent care centers, and emergency rooms are not a substitute for an ongoing relationship with a primary care physician. ***In a true emergency, always dial 911 first.***
