SHORT-TERM MEDICAL (STM) PLANS*: From The IHC Group

Uninsured or between health plans? Blue Cross Blue Shield of Arizona (BCBSAZ) is working with The IHC Group (IHC) to offer a short-term medical plan that is flexible and affordable. You can choose how long you want to be covered and also have a choice of deductibles, coinsurance percentages and out-of-pocket costs. Coverage includes healthcare services like doctor visits, X-rays, hospital stays and other medical needs for issues that have not been treated or diagnosed previously.

*Short-term medical (STM) insurance is temporary coverage with limited benefits. It is not ACA-compliant, doesn't cover pre-existing conditions and is not guaranteed-issue. You may still be subject to a federal tax penalty.

STM plans are offered by The IHC Group and underwritten by Standard Security Life Insurance Company of New York (SSL). The IHC Group and SSL are independent companies that do not provide, offer or sell BCBSAZ products or services and are solely responsible for the products and services they provide.

ADD ANY OF THESE TO YOUR SHORT-TERM MEDICAL PLAN

TELEMEDICINE

Connect with a Teladoc™ board-certified doctor by phone or video conference to get help resolving your health issues. Your Teladoc doctor can even send a prescription to your local pharmacy, if needed.* Also included is access to *Best Health's* online recipes, nutrition and fitness videos and the services of Innovative Medical Risk Management, Inc., which will advocate on your behalf in the event of large out-of-pocket expenses associated with high-deductible health plans, out-of-network charges or expensive prescription drugs.

METAL GAP 2

Even with a medical plan, you could still be responsible for deductible and coinsurance expenses in the case of a serious accident or illness. Metal Gap 2 coverage helps pay for expenses that result from covered events such as an accidental medical expense, accidental death or dismemberment, critical illness or an inpatient or outpatient surgical event.** With Metal Gap 2, you get the financial protection you need while recovering, and your acceptance is guaranteed.

Rx PAY CARD

This nationwide prescription drug card program gives you discounts on prescription drugs at more than 55,000 pharmacies across the country.*** Acceptance is automatic; there's no underwriting or health questions. There's also no monthly or annual maximums and no time limits for pre-existing medical conditions. Formulary drugs are classified into four tiers, with prices as low as \$10 per prescription or less.

Telemedicine, Metal Gap 2 and Rx Pay Card are offered by The IHC Group. Metal Gap 2 is underwritten by Standard Security Life Insurance Company of New York (SSL). Telemedicine and Rx Pay Card are NOT insurance products. The IHC Group and SSL are independent companies that do not provide, offer or sell BCBSAZ products or services and are solely responsible for the products and services they provide.
