

# 2019 Specialty Medication List

Revised 3/06/19

A specialty medication is covered under either the specialty **pharmacy** benefit or the specialty **medical** benefit according to how the medication is administered:

- Specialty **pharmacy** benefit: Applies to self-administered medications. Our network specialty pharmacy provider is:
  - BriovaRx: 1 (877) 850-7071
- Specialty **medical** benefit: Applies to medications that must be administered by a provider. Some of our network specialty pharmacy providers are:
  - AllianceRx Walgreens Prime: 1 (866) 202-4014
  - Accredo Health Group, Inc.: 1 (866) 759-1557
  - Caremark LLC: 1 (800) 237-2767

This specialty medication list displays prior authorization (precertification) requirements and other helpful information, and is subject to change at any time without notice. If prior authorization is required, coverage guidelines apply:

- [Pharmacy coverage guidelines](#)
- [Medical coverage guidelines](#) (coverage criteria may include [site-of-service](#) reviews)
