

It takes only a few *simple* steps to unlock great savings!

This is how easy it is to get discounts on groceries when you shop at **Walmart**  and **sam's club** .

1

Enroll in either Blue Cross® Blue Shield® of Arizona (BCBSAZ) health plan

It doesn't matter which plan you choose, grocery discounts at Walmart® and Sam's Club® come with both the Triple Choice Plan and High Deductible Health Plan.

2

Register for Sharecare at azblue.sharecare.com then download the Sharecare app

The Sharecare® app is available for both Apple® and Android® devices and can be downloaded for free from your favorite app store.

3

Complete the Sharecare RealAge test to unlock discounts on groceries

It takes just a few minutes to find out how your calendar age compares to your body's true age—then you can learn how to stay younger, longer!

4

Open Rewards inside the Sharecare app to access your Healthy Savings discounts

In the Rewards section of your Sharecare app, you'll find information on the weekly discounts available and your Healthy Savings barcode.

5

Scan the barcode when you check out at a participating Walmart or Sam's Club

Scan the barcode anytime during checkout to get instant savings! Your savings will be tracked in your Sharecare Wallet.

See how easy it is to save money on groceries—and get great insights on being the best version of you? BCBSAZ, Sharecare, and Walmart want you to get healthy, stay healthy, and save money...so you can Do Life!

ALL YOU HAVE TO DO IS CHOOSE BLUE!
