## Dental Provider Directory

- Select your DentalPlus primary dentist from the following general dentistry practitioners.
- Insert the provider's name and ID number on your application.
- You may change your primary dentist by calling American Dental Professional Services at (888) 540-9488.

### DentalPlus Specialists - By Referral Only\*

You must have an authorized referral form issued by your primary care dentist before you can obtain benefits from DentalPlus Specialists. These specialists have agreed to provide covered dental services at a **25% discount** off their billed charges.

\*Orthodontists do not require an authorized referral from your primary care dentist. You may self refer to any contracted orthodontist for covered orthodontic therapy after your effective date and pay the **plan fees** for covered orthodontic services.

*Blue Cross Blue Shield of Arizona (BCBSAZ) publishes this provider directory as a reference source for its members. At the time of printing, BCBSAZ attempted to include the name, address and telephone number of all providers who contracted with BCBSAZ. To the best of BCBSAZ's knowledge, the information is/was accurate. The providers listed in this directory are independent contractors and not employees, agents, partners, or representatives of BCBSAZ. The independent providers have an agreement with BCBSAZ dealing with reimbursement methodology and administrative policy. Each provider exercises independent medical/dental judgement with regard to care and treatment provided to each member. BCBSAZ makes benefit determinations, not healthcare decisions. BCBSAZ does not interfere with the doctor-patient relationship.*

*BCBSAZ is not representing or warranting to its members the degree of skill, the quality of care, or the type or quality of health care services, which may be provided by the providers listed in this directory. In no event shall BCBSAZ be liable to any member or any other individual who may be covered under a member contract for any decision made, action taken, misdiagnosis, or medical/dental malpractice which may occur as a result of treatment provided by any independent contractor in the directory. BCBSAZ has no control over any diagnosis, treatment, care or other services rendered by any provider, and disclaims all liability for any loss or injury to its members or any other individual caused by any provider by reason of negligence, failure to provide treatment or alleged medical/dental malpractice.*
